MESSAGE FROM LILI-ANNA PEREŠA, C.Q.

President and Executive Director of Centraide of Greater Montreal

To all our Major Donors,

It goes without saying that we are living in unprecedented times. This is a time to focus on the beauty of life, and your tremendous generosity is certainly something to celebrate!

Our 2019 campaign was incredible. The Major Donors' Circle was even more crucial to its success than in prior years, and I am eternally grateful for your support. Together, members of the Major Donors' Circle contributed \$16.1 million to the 2019 campaign, representing 27% of the total raised. Over 600 Major Donors now support Centraide's mission in the Greater Montreal area. It's exceptional!

Under the inspiring leadership of our chair, Isabelle Marcoux, our cabinet members undertook their mission very seriously. They launched impressive initiatives to invite new Major Donors into the Circle, all of whom we are happy to welcome with open arms. I would also like to highlight the success of the second year of our Major Donors Challenge. Andrew Lutfy joined Stephen Bronfman, Mitch Garber and Lino Saputo, Jr., to boost the already impressive challenge! Thank you again, gentlemen, for matching the donations of all new Major Donors who joined our Circle this year.

Needless to say, your contribution and support are both invaluable and vital to giving Centraide of Greater Montreal the financial security and solid foundation it needs to meet our neighbours' immense needs, especially during the pandemic. This has been a difficult time for us all, but vulnerable families and individuals have been especially affected and need our support now more than ever. Knowing that you continue to show your local love to fight poverty and social exclusion compels us to do even more to ensure that no one is left behind. Thank you so very much.

MESSAGE FROM ISABELLE MARCOUX

Chair of the Board, Transcontinental Inc. and Chair of the Major Donors' Circle

Dearest colleagues,

While the 2018 campaign was a tremendous success for the Major Donors' Circle, we had a record-breaking year in 2019 thanks to the generosity of the Major Donors listed in this directory. Last year, I aimed to expand the Circle so that we could reach new heights together. Thanks to our dedicated volunteers and the Major Donors Challenge, I am proud to say that we accomplished our mission.

We cannot ignore the exceptional context created by the pandemic. Needs are growing, and the crisis will have long-term repercussions on issues like food security and access to mental health services for many vulnerable families and individuals.

Along with Lino Saputo, Jr., we accepted the challenge of chairing the Circle once more, with the belief that, together, new and loyal Major Donors will make a difference and help children, teens, families, isolated people, and seniors throughout the Greater Montreal area. We must continue this work so that our neighbourhoods, towns and cities emerge as stronger and safer places for everyone.

A huge thank you to all of you who are making and will make a big difference in the lives of so many people!

“ Sharing, lending a helping hand and a desire to support organizations and our community have always motivated us to give back. It is our way of sharing our own successes with the community and those in need. Over the years, we increased our annual gift according to our capacity. It is only natural to give back when one has the ability to do so! Giving to Centraide is an informed choice: here is an efficiently structured organization with a proven record of sustained impact in our city. We are happy to know that our donations are wisely invested in Greater Montreal community organizations that are responding to some of the city’s most pressing needs.”

“ Those who know me also know that my profession, passion, and mission are and will always be the wellbeing of our seniors. Working with the elderly has made me acutely aware of their difficult reality. The hardships they experience transcend generations, afflicting several communities who lack resources and are therefore limited in their capacity to help the most vulnerable. We are often motivated to get involved in important social issues by a profound desire to be part of the solution. Centraide is not only a vehicle for change rooted in humanistic values, but also operates an impressively rigorous model. The rich culture of human ingenuity within this organization makes it one of the finest examples of successful community organization and mobilization in Quebec. Philanthropy is essential for a society to foster an environment where humanity can flourish, and without it, a great societal imbalance prevails. The present circumstances compel us to reconsider our core values. We will need to be more altruistic and we will need to rely on organizations like Centraide to ensure our collective salvation. We ALL need each other... to help each other.”

“ We recognize our good fortune, while many families in Greater Montreal are in need. And as much as we would like to, we cannot support everyone, but we can still make a difference. Giving to Centraide is our way of reaching as many people as possible. We know that our donations will be invested in accordance with our values and the issues that we hold dear to our hearts, and that they will have an important impact in our community. Therefore, we endeavour to do our part financially, while also volunteering on the Major Donors’ cabinet. Getting involved and asking our network to do the same enables us to ensure that Centraide can support vulnerable people all year round. This mandate is even more important in these times and will continue to be long after the pandemic is over. We must all live together, and it is only natural that we contribute to strengthening the social safety net of Greater Montreal.”

“ It all comes down to our values. The importance of sharing, love, and lending a helping hand were instilled in us by our parents, core values that we hope to pass down to our children. We want them to understand, through education and concrete experiences, that they are privileged and have to think about those who are less fortunate. We make our mark on the world not with the money that we have in the bank, but through our actions. When I learned that the postal code of one’s birthplace can predict a young person’s success rate, I was shocked. It’s unjust! This is why we commit our time and money to Centraide. We can see the importance of Centraide’s role, supporting organizations that are effective, responsible and accountable. We really trust the organization’s transparent and rigorous governance!”

“ Last year, I decided to increase my contribution and join the Major Donors’ Circle, as well as volunteer with the Major Donors Cabinet. This is a commitment I take to heart and that I share with my network, colleagues, and family. When they observe the impact of my engagement in our community, they are often motivated and happy to get involved. By giving to Centraide, I know that my donation will be invested efficiently and effectively. My confidence in Centraide and its social expertise is reinforced by Charity Intelligence Canada, which gives it a top rating (four stars) for efficiency, transparency, and governance. I am convinced that the work accomplished on the ground, by the talented people running community organizations, is crucial in supporting children, breaking the isolation of seniors, and meeting the basic needs of vulnerable populations.”

“ By getting involved with Centraide, I felt I could do my part to ensure that women are better represented within the Major Donors’ Circle and the Cabinet. In the process of bringing together groups of women from different backgrounds for educational events that would enable them to learn more about Centraide’s mission, I was delighted to discover that, like me, all were wholeheartedly committed to our Greater Montreal. What they learned about Centraide aligned with their philanthropic interests and guaranteed them the transparency and thoroughness to be expected from an organization to which they could make a major gift. Greater Montreal is teeming with socially committed and driven women who are simply fantastic! They bridge generations and continue to raise awareness amongst other women about the poverty and social exclusion that still affects so many children and families.”

“ After working abroad for 8 years, we have come to realize the importance of community spirit, and how much we appreciate it in Montreal. We have always been socially involved, but when it comes to entrusting a substantial donation to an organization, our confidence goes to those who invest their funds wisely and have a significant impact in Montreal. That is why McCarthy Tétrault has chosen Centraide as its partner for the #InclusionNow program, a program also close to our hearts as a family, which seeks to break down barriers to social exclusion, particularly the integration of newcomers. Social inclusion resonates deeply with us because we both come from immigrant families. When visiting Centraide’s partner agencies, you immediately notice the difference they make in the lives of the people they serve. They stand out for the quality of their services and the impressive dedication of their volunteers, which adds even more value to our donations!”

Thank you!

To all who made a planned gift to Centraide to help us fight against poverty and social exclusion in the Greater Montreal area for generations to come!

STÉPHANE PAQUET, HIS DAUGHTERS EMMANUELLE AND MARINE, AND THEIR DOG MOLLY

Vice President, TD Wealth, TD Bank

“ We are currently going through a difficult period that has deepened inequalities in the Greater Montreal area. In this climate of uncertainty, Centraide has responded promptly: raising and allocating much-needed funds to select high-performance organizations assisting the vulnerable populations most affected by the crisis. Such agility and expertise motivated me to make a legacy gift to Centraide so that future generations may also benefit from its work in the Greater Montreal area. It is an effective way to do our part to address inequalities in a city that we love and where we live, beyond our own lifetime.”
